PUBLIC MEETINGS SEPTEMBER 12 AND SEPTEMBER 25 TO DISCUSS IMPROVING THE I-80/SAN PABLO DAM ROAD, MCBRYDE AVENUE AND EL PORTAL DRIVE INTERCHANGES

San Pablo, CA – On September 12 and 25, 2012, public informational

meetings are being hosted by the Contra Costa Transportation Authority (CCTA), and the cities of San Pablo and Richmond to update the public on the I-80/San Pablo Dam Road Interchange Project. The project will make major interchange modifications at El Portal Drive, McBryde Avenue and San Pablo Dam Road to ease congestion and improve safety for motorists, pedestrians and bicyclists.

CCTA, Caltrans, and the Cities of Richmond and San Pablo are sponsoring the events to provide the community an opportunity to learn about the interchange modifications and provide input on the proposed landscaping and aesthetic treatments. "The I-80/San Pablo Dam Road Interchange is one of the busiest in West Contra Costa County. We are working closely with CCTA, the City of Richmond and Caltrans to make this interchange, as well as the McBryde Avenue and El Portal Drive interchanges work better for everyone," said Adele Ho, San Pablo Public Works Director.

The meetings will be held September 12 and 25, 2012 from 6:00 – 8:00PM at Riverside Elementary School. The open houses will begin at 6:00PM in the cafeteria where exhibits and staff will be available to answer questions, followed by a presentation and question and answer period. Riverside Elementary School is located at 1300 Amador Street in San Pablo. For more information, please contact Hisham Noeimi, CCTA Project Manager, at (925) 256-4731 or Adele Ho, San Pablo Public Works Director, at (510) 215-3068.
